

THE HOT SHEET

This edition of the Hot Sheet is attached as a pdf for those who prefer that format.

Tuesday evening found us hard at work on the tag of Masquerade, polishing our choreo on Dancin' Feelin' Medley, and getting into our backbeat groove on South Rampart/That's a-Plenty. Our own **Peggy Gram** was our coach for the night, and the Energizer Bunny is nothing compared to **Becky Ballagh! Dale Syverson** surprised us with delicious frozen confections, a welcome treat after a "hot" rehearsal! **Sheryl Curlee** entertained with tales of our many rehearsal spaces over the years, including churches, a college, a former sports medicine clinic, and a former (and pungent!) car dealership! Fun fact: we've been in our current rehearsal hall since May 11, 1999!

Did you know? There are 17 Tuesday rehearsals until competition!

New this week! Please check your email and respond with your attendance plans for the June 23rd Saturday night show at Summer Music Camp (SMC). Rich-Tones will perform a few of our new songs, and we'll include "Sold" as well, so brush up on that choreo!

The week ahead...
