We're delighted to welcome former member Julie Tyson back to the chorus! (She's second from right in the photo.) A Sweet Adeline for 26 years, she's sung with Valley Center, Emerald City and Wichita choruses in Kansas; Mission Valley in California, and -- locally -- with Rich-Tones (for 15 years) and Texas Harmony. Currently she leads membership for Emerald City in Wichita, where she and husband Paul reside. Their family includes Alisha, Brekke and Caitlin, plus several grandchildren. While music is Julie's favorite pursuit, she also grows herbs, makes perfume and creates stained glass. Be sure to celebrate Julie's return with plenty'o'Rich-Tone luuuv (and a playful dash of, "What took you so long?")!

Hello Rich-Tones!! Our retreat weekend is finally here! Here are a few notes as you travel to the resort. Many of you will pass the restaurant, Napolis, on your right in Pottsboro. Your right hand turn towards the resort will be at the end of a white fence. Be careful not to miss the turn... it can sneak up on you! See you soon!!

CORE STATEMENT

From Main Street to Mainstream – Rich-Tones will rock the Eisemann on August 26!

Our Fall Show is a highlight of the Rich-Tone Chorus calendar – and in this year’s production titled “From Main Street to Mainstream – An Evening of A Cappella Entertainment”, we’re traveling through time, from the early days of barbershop harmony to today’s global a cappella craze. Our featured guests are Main Street quartet, comprised of barbershop luminaries Mike McGee, Myron Whittlesey, Tony DeRosa and Roger Ross, who bring a combined 100+ years of 4-part harmony experience to the stage. These all-stars have entertained audiences in film, television, radio and musical theater – and you may have seen them at Walt Disney World. Count on the Rich-Tones to bring their trademark glitz, glamour, humor and award-winning harmony to this one-time performance – it’s great family fun for all ages!
