

## Love Letters

To observe	The sky may be starless the night may be moonless
To admit	but deep in my heart there's a glow
To explain	For deep in my heart I know that you love me
To clarify	You love me, because you told me so
To reflect	Love letters straight from the your heart
To commit	Keep us so near while apart
To declare	I'm not alone in the night
To concede	When I can have all the love you write
To confess	(OO) I memorize (ev'ry) ev'ry line
To reveal	I kiss the name that you sign (you sign)
To remember	And darling, then I read again right from the start
To declare	Love letters straight from your heart, (from) your heart
To confess	I memorize ev'ry line
To yearn	I kiss the name that you sign
To recall	Darling, then I read again right from the start
To assert	Love letters straight from your heart (from your heart)
To celebrate	Love letter straight from your heart!
